

Energizer E70

- Use with Reader R10
- External tag powering function
- Anti-glaring infrared filter
- Watertight

Typical Performance

Please refer to datasheet R10 for performance data.

Technical Data

| | |
|-------------------------------------|--|
| Lamp | 12V 50W 38° Osram Decostar 51 WFL ALU |
| Input voltage and power consumption | 10 – 12 Vac, 35 - 50 W |
| Dimensions | 90 x 100 x 115 mm |
| Cable length | 3 m, open-ended the other end |
| Weight | 0.2 kg |
| Temperature | -20 to +50 °C |
| Humidity (IEC 60068) | 95%, non-condensing |
| Protection class (IEC 60529) | IP 68 |
| Cover | Polyamide |
| Label | Type code, regulatory marking, serial number |

Ordering codes

| | |
|---------------------------------|-----|
| Energizer 'Infrabeam WFL' | E70 |
| AC/AC transformer, 220Vac/10Vac | A32 |
| AC/AC transformer, 220Vac/12Vac | A33 |
| Mounting bracket | A80 |
